BABY'S FUTURE

Something for Mothers to Think About.

Lives of Suffering and Sorrow Averted

And Happiness and Prosperity Assured by

Cuticura Soap, Ointment and Pills When All Else Fails.

Every child born into the world with an inherited or early developed tendency to distressing, disfiguring humors of the skin, scalp and blood, becomes an object of the most tender solicitude, not only because of its suffering, but because of the dreadful fear that the disfiguration is to be lifelong and mar its future happiness and prosperity. Hence it becomes the duty of mothers of such afflicted children to acquaint themselves with the best, the purest and most effective treatment available, viz., The Cuticura Treatment. Warm baths with Cuticura Soap to cleanse the skin and scalp of crusts and scales, gentle applications of Cuticura Ointment, to allay itching, irritation and inflammation, and soothe and heal, and mild doses of Cuticura Resolvent Pills, to cool the blood in the severer cases, are all that can be desired for the alleviation of the suffering of skin tormented infants and children, and the comfort of worn-out parents. Millions of women use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, in the form of washes for annoying irritations and inflammations, and for many sanative, antiseptic purposes which readily suggest themselves.

PLAYS NEXT WEEK.

The Allen stock company opens a week's engagement at Fishers' opera house next Monday evening in a high-class repertoire, music and specialties. Mr. Allen has succeeded in banding together the cleverest company on the road, playing at popular prices. The company is far superior to any other stock company, both artistically and musically. Seat sale opens tomorrow morning at Griffin's book store.

TO PAINT CLATSOP SCENES

Local Views to Have Prominence at Lewis and Clark Fair.

Clatsop scenes will probably loom large in the eyes of the public during the Lewis and Clark fair, for there is a scheme on foot to present a play in which all the scenery shall be painted from photographs of places made historic by the visit of the two men in whose memory the fair is being held, and of places of pioneer interest in the localities.

W. Clement is in the city to arrange for securing the proper photographs, and is being assisted in finding the right localities by William Chance, who has made the matter a study, and has as much knowledge of all the Oregon country as any man in the state.

The Bock case was postponed in the justice court yesterday until the witnesses arrive from California.

MOST ATTRACTIVE PROGRAM

The Willamette Valley Chautauqua association has issued its tenth annual program. From the very small beginning in the way of a session held in 1894, the Chautauqua has grown until it covers a period of thirteen days and draws talent for its platform from all parts of the country.

Senator Jonathan P. Dolliver, the big Iowa senator, lectures on the first evening, July 14th on "A Poor Man's Government and a Poor Boy's Country," and will be introduced by Senator John H. Mitchell.

The famous author, humorist, lecturer, Bob Burdette, and his hardly less attractive wife, Mrs. Clara B. Burdette, will both appear on the program.

"Woman's day" will be July 21. Mrs. Clara B. Burdette, who is first vice-president of the National Federation of Women's clubs, will speak in the afternoon on the "Care of the Junior Citizen." There will be a daily Women's Parliament from July 16 to July 23 inclusive, presided over by Mrs. Burdette. The Women's clubs of Oregon are taking great interest in the Chautauqua this year, and a host of them will attend.

Karl Germaine, the magician, who has appeared at the mother Chautauqua, will appear in two special entertainments.

On Friday and Saturday, July 24 and 25, the Chautauqua have Hon. Champ Clark, the great congressman from Missouri, as a stellar attraction. He is a splendid orator and has a national reputation as a wit and humorist.

A full program may be had by addressing the secretary, H. E. Cross, at Oregon City, Oregon.

KLONDIKE GOLD DECREASING.

Although thousands of prospectors have been exploring the Klondike region for over a year, no new mines have been discovered, and the government expert reports that this year's production will be \$10,000,000 less than last year. In this respect the Klondike resembles the majority of new mines that spring up from time to time. They seem to flourish for a season, but because of lack of merit soon play out. Not so, however with Hostetter's Stomach Bitters, which has been before the public for fifty years, and is today more in demand than ever. Its wonderful success is attributed to the fact that it positively cures indigestion, dyspepsia, flatulency, headache, constipation, biliousness, and malaria fever and ague. Try a bottle and see for yourself.
